

## DEVELOPMENT OF HIGHER SECONDARY EDUCATION IN KERALA

Name of the student : ALAVIKKUTTY P P  
Name of supervising teacher : Prof. ABDU SALAM C  
Year of study : 2002

**OBJECTIVES**

To trace the history and development of higher secondary Education in Kerala.

**METHODOLOGY**

**Method used** : Historical Method

**Sample** : Data collected from the various documents from government and other autonomous bodies

**Tool** : An interview schedule is intended for the use of the present study.

**RESULT**

There is a need for delinking pre degree and implementing higher secondary education in Kerala after the independence. An effort was made in the year 1986-87. But it was not materialized. In 1990-91 academic year, higher secondary education was started in Kerala. In 2000 -2001 academic year, the delinking of pre degree from colleges was almost completed.
